2020 Virtual Program Class Description

Welcome to SWAN Virtual Program **First Day of Class: September 8th, 2020**

Ages 2 to 4

Preschool Mandarin Circle – Practice your child’s Mandarin listening comprehension while exercising their mind on functional phrases; learn about the Fall, moon festival, my senses, family tree and much more!

Preschool Math Genius or Kindergarten Math – Math Genius or Kindergarten Math does not only introduce toddlers to early Mathematics, the class is conducted in 100% Mandarin. Our successful preschool program teaches Math to toddlers as early as 2 years old, come join us!

Preschool Fun English – Practice and learn the alphabet and new vocabularies under SWAN’s successful thematic units. Each month, a new theme is introduced along with new vocabularies and hands-on activities.

Preschool Literacy and/or Social Studies – Practice new vocabularies and reading skill under SWAN’s successful thematic units. Each month, a new theme is introduced along with reading material, new vocabularies, writing exercises, and hands-on activities in English.

Ages 4 to 14

Chinese Cultural Class—Learn about how to celebrate August Moon, Dragon Boat, Qingming Festival and don’t forget about the Hungry Ghost Festival. Children will practice their Mandarin language by speaking and listening.

Conversational Mandarin—Children are grouped by Mandarin level. Learn functional phrases to order food, greet each other, self-introduction and shop in a supermarket. For advanced learners, children will learn to debate and engage in An activity focused on oral Mandarin skill.

Jazz Dance for Children—Jazz Dance focuses on the technique and dance styles used in Musical Theatre. Dancers will be introduced to Jazz vocabulary, movement patterns, and most importantly dancing with expression! Students will explore an array of musicals and enjoy storytelling through dance. Get your Jazz Hands ready to dance down Broadway!

Chinese Reading and Writing Class — Enhance your child’s Mandarin learning with reading and writing. The reading and writing exercises will encourage children to think in Chinese and reinforce their oral skill.
